Dear Sirs,

Recommended system configuration of eiMBT, eiCMT and HKTR

To support JAVA version updates, eMBT, eCMT and HKTR will be enhanced and certified to run on major combinations of operating systems and browsers **effective from 20 November 2017** (the "Effective Date"). Details of the recommended system configuration of the enhanced eMBT and eCMT, as well as HKTR are listed in Attachment 1 and Attachment 2 respectively for your reference and planning. Our testing environment will be ready from 25 October 2017 to 10 November 2017 for those who wish to conduct verification test on this enhancement.

In addition, two Global Certification Authorities (Entrust and IdenTrust) will be included as eligible digital certificate vendors for iCMT Users, iMBT Users and TR Members starting from the Effective Date.

For enquiry, please contact our Services Management at (852) 2533 1100 or hkiicl@hkiicl.com.hk.

Yours faithfully,

Haster Tang
Chief Executive Officer
