

Certification of Windows 10 Compatibility for HKTR-R system

The below section under the HKTR Administration and Interface Development Guide (Reporting Service) has been updated to include Windows 10 for accessing the HKTR-R system. Should you have any enquiries, please contact the HKTR at 8100 3115 or email to hktr@hkma.gov.hk.

2.5.3 Client Software Requirements

For accessing to the HKTR-R system for UI functions via SWIFTNet Browse service:

- SWIFTAlliance Web Platform (SWP)
- SWP supported Windows versions
- SWP supported Microsoft Internet Explorer versions

For accessing to the HKTR-R system for UI functions via Internet:

- Windows 7 Professional SP1 / Windows 8.1 / [Windows 10](#)
- Microsoft Internet Explorer version 11 (Windows 7 or 8.1)³

For the generation of the CSV using Microsoft Office Excel:

- Microsoft Office Excel 2010 / 2013 / 2016

³ Starting from 12 January 2016, Microsoft will not provide any technical support and security updates for IE7/8 on Windows Vista and IE 8/9/10 on Windows 7 Professional. Hence, members should upgrade to other higher certified Windows and IE versions for using HKTR on or before that day for receiving continuous technical support and security updates.
